Regional Mobility

Capital Circle Southwest

Project Highlights

• Widens Capital Circle Southwest from Orange Avenue to Crawfordville Highway.

• Landscaping and stormwater enhancements to protect the Lake Bradford Chain-of-Lakes, Apalachicola National Forest, and existing neighborhoods.

• Multi-use paths to support access and healthy lifestyles.

• Expands access to the Airport, Innovation Park, Tallahassee Museum, and other properties.

• Estimated Cost: Not to exceed $70 million

This project completes the overall Capital Circle enhancements outlined in the original Blueprint program. The project includes water quality and infrastructure enhancements for multiple transportation modes, improving access in the area. Completing Capital Circle Southwest stimulates economic development in the long term by improving access to the Airport, Innovation Park, Tallahassee Museum, and undeveloped properties. The total estimated cost of this project is $119 million. It is anticipated that the remaining funding will be allocated by the Florida Department of Transportation.
