Florida A&M Entry Points

Project Highlights

- Intersection enhancements to make accessing Florida A&M University easier and safer:
  - Palmer Avenue/Adams Street
  - Osceola Street/Adams Street
  - Perry Street/Gamble Street.
- Signage to beautify and emphasize the entrances to Florida A&M University.
- Estimated Cost: $1.5 million

The intersections of Osceola/Adams Streets and Perry/Gamble Streets are high profile entrances into Florida A&M University. This project would include high visibility crosswalks at these intersections. It would also include adding a crosswalk and traffic signal at the Palmer Avenue/Adams Street intersection. Other improvements may include tree-lined streets, wider sidewalks, and monument signs at major entries.
