Livable Infrastructure For Everyone (L.I.F.E.) Projects

Project Highlights

- Small-scale infrastructure needs within Leon County and the City of Tallahassee.
- Possible improvements include:
  - Culvert enlargements
  - Upgrading stormwater treatment facilities
  - Shoulder pavement
  - Intersection realignments
  - Fire hydrants.
- Estimated Cost: 2% of penny sales tax proceeds ($15.1 million)

The Livable Infrastructure For Everyone (L.I.F.E.) program recognizes that, given the considerable investment of the penny sales tax, no one should be without basic infrastructure in Leon County in the 21st century. Two percent of the penny sales tax proceeds, an estimated $15.1 million, will be dedicated to funding L.I.F.E. projects that address small-scale infrastructure needs within Leon County and the City of Tallahassee. L.I.F.E. projects will also address unforeseen infrastructure needs that population growth and/or aging infrastructure will create.
