Project Highlights

- Park design and amenities to be determined through community input.
- Possible improvements may include:
  - Active Park (55 acres):
    - Baseball and multi-purpose fields
    - Playground
    - Amenities such as concession/restroom facilities, sidewalks, lighting, etc.
  - Passive Park (45 acres):
    - Greenways
    - Hiking and biking trails.
- Estimated Cost: $10 million

The Northeast Park is a 100-acre parcel located at the corner of Proctor Road and Thomasville Road, of which 55 acres are anticipated to hold activity-based facilities (playground and activity fields). The remaining 45 acres of the park are anticipated to be set aside as a passive park (trails and greenspace). This project could also include the realignment and paving of Proctor Road within the confines of the park site. Additionally, a northbound turn lane would need to be added on Thomasville Road to facilitate traffic flow into the park.
